HOW TO LIMIT TO PEER REVIEW ARTICLES IN WORLDCAT DISCOVERY: A HANDOUT

2) Click “LPU Catalog on Discovery” found in “Search Our Catalog and Libraries Worldwide.”

3) Once there, in the upper right corner, click “Sign in”

   ![Sign In](image)

   The first time you try to log in, you need to set your password

4) After you have signed in, click the “Advanced Search” hyperlink.

   ![Advanced Search](image)

   To limit your results to only return “peer-reviewed” articles, look to the check box on the lower left-hand side of the screen.

5) Check “Only return peer-reviewed articles.”
